Subject: Islamic Center Danish Cartoon Event Gameplan

I want to thank those of you who have sent e-mails. NYU has decided to let the event continue so the Islamic Center has decided to step things up. The event is tomorrow at 7 at E&L in Kimmel. Tickets are being distributed for free via Ticket Central. The Islamic Center would like everyone to get tickets to this event so we can kill their attendance figures.

Let's remember, we have no problem with dialogue but the cartoons go against Muslims for two reasons. First, the depiction of the Prophet Muhammed (peace be upon him) is strictly forbidden. Secondly, it makes a horrible generalization that all Muslims are terrorists.

Therefore I ask you to go to ticket central, get two tickets for this event, and rip them up.
