As per our conversation today, this communication comes to inform you that you will not be allowed to participate in the Saint Augustine's College commencement activities for 2011. This action is being taken as a result of your negative social media exchange during the institution's recovery from the tornado that hit campus on April 16, 2011.

All students enrolled at Saint Augustine's College are responsible for protecting the reputation of the college and supporting its mission. When a student's actions and/or behavior is in conflict with the mission of the institution, we reserve the right to take appropriate action as deemed necessary. This decision has been made to that end. You may pick up your cap and gown and degree from my office in the Hunter Building, Suite 206-B on Monday, May 2, 2011 at 9:00 a.m.

Good luck in your future endeavors,

Eric W. Jackson, PhD
