

# Posting Policy

Posting is permitted on bulletin boards that are not designated for use by academic or administrative departments or individual student organizations, on wall space that is clearly available as a posting area, and on building exteriors. Posting is not allowed in Alumni Hall. Posting is also not permitted on doors or windows or in any manner that may interfere with fire or other safety priorities.

To promote an atmosphere of respectful free expression, members of the community are obligated to take responsibility for that expression and to respect the expression of others in the materials they post. Individuals and/or groups will be held accountable for postings that are not aligned with Knox College community standards as outlined in the Student Code of Conduct. In addition, postings targeting specific individuals and/or groups in a derogatory manner will be removed.
