Instructions for Law Enforcement

Enforcing the Restraining Order

This order is enforceable by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Restraining and Protective Orders System (CARPOS). If the law enforcement agency has not received proof of service on the restrained person, the agency must advise the restrained person of the terms of the order and then must enforce it. Violations of this order are subject to criminal penalties.

Start Date and End Date of Orders

This order *starts* on the date next to the judge's signature on page 4. The order *ends* on the expiration date in item ④ on page 1.

Arrest Required if Order Is Violated

If an officer has probable cause to believe that the restrained person had notice of the order and has disobeyed the order, the officer must arrest the restrained person. (Pen. Code, §§ 836(c)(1), 13701(b).) A violation of the order may be a violation of Penal Code section 166 or 273.6. Agencies are encouraged to enter violation messages into CARPOS.

Notice/Proof of Service

The law enforcement agency must first determine if the restrained person had notice of the order. Consider the restrained person "served" (given notice) if (Pen. Code, § 836(c)(2)):

- The officer sees a copy of the Proof of Service or confirms that the Proof of Service is on file; or
- The restrained person was informed of the order by an officer.

An officer can obtain information about the contents of the order and proof of service in CARPOS. If proof of service on the restrained person cannot be verified, the agency must advise the restrained person of the terms of the order and then enforce it.

This is a Court Order.

If the Protected Person Contacts the Restrained Person

Even if the protected person invites or consents to contact with the restrained person, this order remains in effect and must be enforced. The protected person cannot be arrested for inviting or consenting to contact with the restrained person. The order can be changed only by another court order. (Pen. Code, § 13710(b).)

Conflicting Orders—Priorities for Enforcement

If more than one restraining order has been issued protecting the protected person from the restrained person, the orders must be enforced in the following priority (see Pen. Code, § 136.2 and Fam. Code, §§ 6383(h)(2), 6405(b)):

1. *Emergency Protective Order (EPO)*: If one of the orders is an *Emergency Protective Order* (form EPO-001), provisions (e.g., stay-away order) that are more restrictive than in the other restraining/protective orders must be enforced. Provisions of another order that do not conflict with the EPO must be enforced.
2. *No-Contact Order*: If a restraining/protective order includes a no-contact order, the no-contact order must be enforced. Item 5a(2) is an example of a no-contact order.
3. *Criminal Protective Order (CPO)*: If none of the orders include an EPO or a no-contact order, the most recent CPO must be enforced. (Fam. Code, §§ 6383(h)(2) and 6405(b).) Additionally, a CPO issued in a criminal case involving charges of domestic violence, Penal Code sections 261, 261.5, or former 262, or charges requiring sex offender registration must be enforced over any civil court order. (Pen. Code, § 136.2(c)(2).) All provisions in the civil court order that do not conflict with the CPO must be enforced.
4. *Civil Restraining Orders*: If there is more than one civil restraining order (e.g., domestic violence, juvenile, elder abuse, civil harassment), then the order that was issued last must be enforced. Provisions that do not conflict with the most recent civil restraining order must be enforced.

11 Defendant

12
13 **INTRODUCTION**

14 Beginning in August/July 2023 and continuing to the present day, Ms. Amy Gulley, of [REDACTED]
15 [REDACTED], PA [REDACTED], using multiple aliases including but not limited to MrJusticeGossipGirl,
16 FyrestarOmega, along with several unidentified individuals using aliases (see EXHIBIT A) has orchestrated a
17 prolonged and intensive campaign of cyberstalking and harassment, via the online social media platforms Reddit, X,
18 and Facebook.

19 From August 2023 - September 2023, this stalking and harassing behavior took the form of
20 multiple posts on a subreddit moderated by Ms. Amy Gulley under the alias Fyerstar Omega. It is believed that this
21 harassment was instigated through Ms. Gulley's communications with Emeritus Professor Richard Gill, of Leiden
22 University, Netherlands. On August 10, 2023, Prof. Gill had established with Dr. Adams the status of her
23 educational qualifications. Subsequent to receiving this information, Prof. Gill doxed (exposed personal/private
24 identifying information on an anonymous social media platform) Dr. Adams to Ms. Gulley, apparently encouraging
25 her to initiate a smear campaign against Dr. Adams for the purposes of substantially harming her career and business
26 prospects. On August 23, 2023, Ms. Gulley under the alias Fyrestar Omega began making false and unsubstantiated
27 claims about Dr. Adams' educational credentials. Ms. Gulley had obtained this erroneous and false information from
28 Prof. Gill.

1 At this same time, Prof. Gill was spreading numerous false claims about Dr. Adams educational
2 credentials across social media platforms including on his own blog. (EXHIBIT D) Crucially, Prof. Gill appears to
3 be the primary source of the many false claims made about Dr. Adams. Prof. Gill falsely claimed to others that he
4 was an associate of Dr. Adams and intimated that he had a long history with Dr. Adams. In reality, Dr. Adams had
5 no past relationship with Prof. Gill, and had only met with him on two/three prior occasions, the first time being in
6 May 2023. Each meeting was as part of a wider group meeting, and no personal discussions took place.

7 Beginning August 2023, Prof. Gill made repeated false claims that Dr. Adams had experienced
8 various mental health crises, and had dropped out of her PhD Program in 2017. He stated that she had failed to
9 complete her PhD dissertation, and that she was misrepresenting herself. Prof. Gill was firmly aware that he either
10 had no information supporting his claims, or worse that he was fabricating this information simply to inflict
11 reputational damage on Dr. Adams. Although not relevant to this present request, Prof. Gill's behavior was
12 apparently motivated by a perceived slight owing to Dr. Adams not wishing to collaborate with him on a
13 professional basis. Notably, Prof. Gill had previously displayed this pattern of behavior towards other science
14 professionals, where in one instance he was implicated in a two year long series of investigations having falsely
15 accused scientists outside his discipline of fraud, plagiarism, and dishonesty. Prof. Gill was required to submit a
16 statement recanting his false claims.

17 As a consequence of Prof. Gill's action, Ms. Gulley, either separately or as a part of a wider
18 strategy, initiated a stalking and harassing campaign beginning on September 28, 2023, under the new alias
19 MrJusticeGossipGirl. This behavior has taken the form of a curated subreddit solely targeting Dr. Adams and her
20 business Science on Trial, Inc, along with over 3000 Twitter posts of the same nature. These posts set out to
21 persistently smear, and defame Dr. Adams, and harm her ability to conduct her business.

22 23 **SUMMARY OF AMY GULLEY'S STALKING AND HARASSING BEHAVIOR**

- 24
25 1. Beginning in August 2023, and continuing to this day, Ms. Gulley repeatedly and falsely claims that Sarrita
26 Adams is a 'fake', 'a fraud', and a 'charlatan,' and that she is running her business for unlawful purposes.
27 (EXHIBIT B). **Ms. Gulley has no personal or professional relationship with Dr. Adams nor her**

1 **business. In plain language, Ms. Gulley is an internet stalker, who struggles to separate her online**
2 **obsessions with real life.**

3 **2. Ms. Gulley, under the alias MrJusticeGossipGirl has created a subreddit page under the handle**
4 **https://www.reddit.com/r/scienceontrial this subreddit consists of 100s of posts.). The subreddit created**
5 **by Ms. Gulley uses the name of Dr. Adams California Incorporated Business, Science on Trial, Inc,**
6 **this is aimed at impersonating the business to attract potential customers. (EXHIBIT B)**

7 3. Ms. Gulley additionally claims, without evidence that Sarrita Adams lied about her educational
8 qualifications. This claim forms a significant basis of her harassing conduct, where she repeatedly states
9 that Sarrita Adams should not be trusted under the basis that Ms. Gulley believes that Adams educational
10 qualifications from the University of Cambridge cannot be substantiated by Ms. Gulley individually
11 **(EXHIBIT C). Importantly Ms. Gulley has no cause or basis to inquire or investigate any element of**
12 **Adams' life and it is apparent that she is doing so simply due to a disturbed obsession.**

13 4. Ms. Gulley's reddit posts reveal a disturbed harassment campaign, where she demonstrates clear cut
14 cyberstalking actions, where she "willfully, maliciously, and repeatedly follows or harasses someone and
15 makes a credible threat with the intent to place the victim or their family in reasonable fear for their
16 safety."(Penal Code § 646.9).

17 5. Ms. Gulley details how she has repeatedly sought to disrupt the business operations of Dr. Adams
18 company, Science on Trial, Inc through using numerous fake aliases to contact the business making
19 frivolous inquiries and accusations. Ms. Gulley has posted the evidence of this conduct on the subreddit
20 used to harass Dr. Adams. (See EXHIBIT E)

21 **6. Ms. Gulley has further demonstrated harassing behavior through selectively referencing portions of**
22 **Dr. Adams' contentious divorce proceedings, even going so far as to reference portions from an**
23 **unpublished court of appeal opinion (EXHIBIT F). Despite clear guidelines stipulating that unpublished**
24 **opinions cannot be relied upon by parties outside of the original action, Ms. Gulley cites from the**
25 **opinion; fully aware that she is not permitted to rely on the contents of the opinion to claims her**
26 **assertions are grounded in fact.** Importantly, Ms. Gulley uses the opinion to bolster unfounded
27 allegations regarding the difficulties in Dr. Adams' marriage, thereby portraying Dr. Adams in a
28 deliberately negative light, for the purposes of harming her reputation.

1 7. **Ms. Gulley engaged in threatening conduct, by clearly stating that the creation of her subreddit exists**
2 **for the sole purpose of damaging Dr. Adams' reputation.** Ms. Gulley has repeatedly stated that she will
3 continue to maintain her stalking and harassment until she stops Dr. Adams from running Science on Trial,
4 Inc. (EXHIBIT G – See Tweets). As an example Ms. Gulley has stated in Twitter/X post:

5 **mrjusticegossipgirl** @mrjg... · 01/04/2024
6 It's true, I have said that I will set r/
7 scienceontrial to private when Science on Trial
8 the company ceases to exist. However, it is an
9 archive of Sarrita's own words. So if she finds
10 it harassing, that is her own fault.
11 #scienceontrial #sarritaadams @forensic_sci...

12 8. **Along with the subreddit account Ms. Gulley has established a Twitter/X account under the alias**
13 **MrJusticeGossipGirl.** (EXHIBIT 6) This account is solely focused at harassing Dr. Adams and her
14 business. **In the profile header Ms. Gulley prominently features a link to her subreddit account. Ms.**
15 **Gulley and her aliases have posted over 3000 tweets since October 2023 focused on harassing Dr.**
16 **Adams.**

17 9. **Ms. Gulley encourages other anonymous users of the social media platforms to stalk, harass and**
18 **intimidate Dr. Adams** (EXHIBIT A).

19 10. Ms. Gulley's conduct is intended to induce fear, and distress in Dr. Adams. This is being achieved owing to
20 her subreddit posts featuring prominently in Google searches of Dr. Adams and her business, Science on
21 Trial, Inc. (EXHIBIT H summary google results)

22 11. Ms. Gulley has engaged in a widespread stalking campaign through Reddit and Twitter/X where she details
23 her ongoing pattern of following Dr. Adams online, throughout the day, on a daily basis. Ms. Gulley's
24 identification was determined through her statement that she had been following Dr. Adams on LinkedIn,
25 on May 28, 2024. A search of visits to Dr. Adams' LinkedIn page reveals that Ms. Gulley was the
26 individual that visited Dr. Adams LinkedIn page (EXHIBIT I). It was already known to Dr. Adams that
27 Ms. Gulley was associated with a reddit account under the username FyrestarOmega.

Case No.: T.B.D

**DECLARATION OF FLORIDE ROSA BELLINI IN
SUPPORT OF A CIVIL HARASSMENT ORDER**

13 I, Floride Rosa Bellini, declare as follows:

- 14 1. I have personally witnessed the behavior of Amy Gulley, also known by her aliases FyrestarOmega and
15 MrJusticeGossipGirl, which has constituted a prolonged and intensive campaign of cyberstalking and
16 harassment directed at Dr. Sarrita Adams. This behavior has been ongoing since at least August 2023.
- 17 2. I have made repeated efforts to stop this behavior by directly communicating with Ms. Gulley. Despite my
18 multiple attempts to address and resolve the issue through dialogue and reasoning, Ms. Gulley has
19 consistently refused to cease her actions. She has shown a clear intent to continue her harassment
20 campaign, which has included defamatory and false statements about Dr. Adams' professional and personal
21 life.
- 22 3. On Monday, June 3, 2024, I took the step of contacting Ms. Gulley via LinkedIn. In my message, I
23 explicitly requested that she stop harassing Dr. Adams and remove the abusive subreddit she had created,
24 which was dedicated to defaming and discrediting Dr. Adams and her business, Science on Trial, Inc.
- 25 4. Within one hour of sending this message to Ms. Gulley, she deleted her entire LinkedIn account. This
26 sudden action suggests an acknowledgment of her wrongful conduct and an attempt to evade further
27

1 accountability. Concurrently, she began the process of deleting the numerous Reddit posts she had made
2 under the alias FyrestarOmega, which were part of her sustained harassment campaign against Dr. Adams.

3 5. I am also aware that Amy Gulley operates under the alias MrJusticeGossipGirl. This alias has been used
4 extensively to further her harassment campaign against Dr. Adams on various social media platforms,
5 including Reddit and Twitter/X.

6 6. Despite these actions, it is clear that Ms. Gulley has only taken these steps in response to being confronted
7 directly and that her underlying intent to harm and harass Dr. Adams remains unchanged. Her previous
8 behavior and her evasive response indicate a pattern of malicious conduct intended to cause distress and
9 damage to Dr. Adams' reputation and professional standing.

10
11 I declare under penalty of perjury under the laws of the State of California that the foregoing is
12 true and correct.

For the newcomers, a reminder that Sarrita Adams created r/sciencelucyletby before Science on Trial

Sarrita Adams has publicly stated that r/sciencelucyletby is her subreddit, and u/agggravating-south-28 has publicly said they created r/sciencelucyletby and is still lead moderator there.

Sarrita desperately wants people to be ignorant of her erratic past on reddit, she wants people to ignore the public documents showing her erratic behavior in her divorce. All this, she wants you to ignore while you give her money (at least £25, you cheapskate).

Anyone wanting to know more about Sarrita Adams should look into the post and comment history of u/agggravating-south-28.

Evidence in court needs to stand up to cross examination, where credibility is key. An incomplete **phD**, spotty legal history, & erratic social media presence will not cut it. Also, having been 2x published a decade ago she knows - real research involves more than searching pubmed

Could you get a link please where she has stated that she has not actual...

Sarita never said in public that she is currently studying for it. She never even said in public that she is going to finish it. She finished writing the main part of a thesis (she gave me a copy; she has not put it online). It does not have a title page. It does not have a preface explaining who did what. Her draft was submitted; examined, approved, and accepted subject to making some corrections. I suspect minor ones. It is not complete since it does not have the necessary and very important introductory section explaining who did what, how much of the research is her own. She did not do her PhD research "between California and Cambridge". She did it solely in California and worked solely with researchers in California. Her thesis and the three published research papers are about molecular biology, not about biochemistry etc etc. The papers were completed by her California colleagues and two of them have a long list of co-authors. The third, and biggest one, is by herself and her California supervisor (head of the department where she worked). That professor is the one who finished the paper for them both, and it was published and published after she had effectively "dropped out". Probably the other two papers were also published later too. I can check when they were submitted, by whom, and when they were accepted. If anyone is interested I can fill in more details but really I think this is a waste of time. She should not call herself Dr and she should not say she has a PhD from Cambridge because she quite simply doesn't. Could she still get it? I doubt anyone in Cambridge is interested in helping her through the last steps, and there is no reason that they should do. (But who knows).

IMPORTANT - please read!

Dear members and followers,

Over the course of the next few days (or weeks) we will be running a series of posts exposing potential fraudulent activity currently taking place which is abusing Lucy's cause as well as emotionally exploiting vulnerable people.

In our upcoming posts, we will be talking about Samira Adams and a campaign she leads under the name of Science on Trial. Our posts will disclose information aiming to tackle misinformation, lies, and fake science and hopefully help people to make an informed view before donating money or their time to an individual whose motivations are clearly questionable.

From day one of our Facebook page has been clear that our main focus has been on analysing whether the evidence provided Lucy Letby a fair trial, our position still remains that the evidence did not support a fair verdict.

We have been laser focused on that and have avoided things that we feel detract from that. We were happy to work with people on this where we felt there was a common aim, where we were all pulling in the same direction. But, we have distanced ourselves from those whom we felt contradicted our aims. We admit this may have caused tensions but we can't be responsible for how they respond to the focus we have. We have also put a disclaimer on our page to try and be clear on that. However given recent comments all over the internet (please see link below) we now need to formalise our commitment to the cause of Lucy and be clear and unequivocal about those we feel do not share this aim - a fair trial.

As such we can no longer support, share information with or have any contact, official or unofficial, with Samira Adams, Science on Trial, or their affiliates and supporters.

We are sorry if this decision and upcoming posts may make some feel upset or unsettled, rest assured this decision has been duly considered.

To be clear we are focussed on ensuring Lucy has a fair trial, not distractions and we feel Samira comes with distractions and dangerous liabilities that can no longer be ignored.

Please do take the time to look at the collection of information already gathered on Reddit by following the link below, over the next few days, some relevant information will be shared on this page - all are encouraged to take account of what will be shared.

apologies @Richard Gill I feel we don't

This group does what it's owners/managers say. That's up to them. I have no objection to its aims and governance. I do think there is room for a number of enterprises, we don't compete, we compliment one another. This is what I learnt from the case of Lucia de Berk do not over-organize! Often, indeed, the left hand should not know what the right hand is doing. And vice versa. There are so many fronts we must fight on. Among the elite of society. At grass roots base. Scientists, not scientists. The medical world. The legal world. The men's world, the women's world. The old, the young. Social media, main stream media.

So Sarrita, when I say I will take down my subreddit if Science on Trial ceases to exist - I say that not as an offer, but as a courtesy. Move on from this venture, and I will be happy to help you so far as I am able. But I will not allow you to lie without preserving that record

Science on Trial is offering itself for forensic science consulting for district attorneys - here's a reminder of the last time Sarrita Adams met with a district attorney

Now that Science on Trial has shut down its forum, Sarrita Adams has launched a site offering to contract with district attorneys in the United States.

Reflecting on the reasons I have been banned from Science on Trial

With any luck, shutting down the Science on Trial forums will force its remaining members to touch grass and emerge from their mass delusion, of which they are victims. Here are a few examples of the dangerous speech that Sarrita wants to shield them from:

Ban #1

Profile name: Human

Banned 20/9/23 for this comment, which included a screenshot of two of Sarrita's reddit comments and asking her what happened to reports she had promised back in May/June

Ban #2

Profile name: Jane Smith

Banned 30/9/23 for this comment, asking who performed the peer review of rexlucyietby2023.com. This was, of course, after earlier removals questioning why SoT would need

its members to solicit expert opinions and publicly asking why SoT filed as a corporation.

Ban #3

Profile name: Minnie Johnson

Banned 18/10/23 for this comment, asking for Sarrita to confirm or deny once and for all if she held the title PhD.

Ban #4

Profile name: Tim Smythe

Banned 8/11/23 for this comment pressing the issue of the unsubstantiated claim on rexlucyietby2023.com that Child L's mum had gestational diabetes.

mrjusticegossipgirl · 7 mo ago

Just a screenshot of Sarrita Adams' very identifiable former about mental care at CoLm.

mrjusticegossipgirl @mrjgossipgirl · Apr 2

And finally, whatever I would choose to do with my subreddit, page one of a Google search of "Sarrita Adams" does enough even without me. Googling "Science on Trial" has a fun page 1 result as well, not on my subreddit

My latest about Sarrita Adams' failed venture with Science on Trial here!

mrjusticegossipgirl @mrjg... · 01/04/2024
It's true, I have said that I will set r/sciencecentral to private when Science on Trial the company ceases to exist. However, it is an archive of Sarrita's own words. So if she finds it harassing, that is her own fault.

The #LucyLetty grift is over for Sarrita Adams @Forensic_Sci_. Her "science" could never stand up to scrutiny. Rather than let it be examined by a wider audience, she's thrown all her toys out the pram. Those who supported her work would be wise to finally rethink their choices

mrjusticegossipgirl @mrjg... · 26/04/2024
Replying to @mrjgossipgirl @Forensic_Sci_ and @LucyLetty
One more thing Sarrita. You have me blocked on this platform (a block that I do not violate to contact you), and I'm posting in my own subreddit. That means anything I say that you see, you've sought out. Kind of undercuts your whole stalking claim.....

mrjusticegossipgirl @mrjg... · 01/02/2024
Lol Sarrita Adams finally changed her handle for NeuroscienceCentral away from @EdgarArceosa43433.

As a reminder, she has a regular degree in natural sciences and an incomplete phd in microbiology.

Anything else is speculation

mrjusticegossipgirl @mrjg... · 22/06/2024
Remember when Sarrita Adams @forensic_sci_ was telling her followers of the grants she was applying for so she could live off her grift? She didn't get those, but she's still trying!

OMG <48 hours after posting a blog on sciencecentral.com falsely accusing me of stalking, Sarrita Adams "notices" 3 brand new accounts she accuses of being me. This would not be the first time she has attempted to harass me for telling the truth about her @Forensic_Sci_

mrjusticegossipgirl @mrjg... · 27/05/2024
Another reason, of course, is that Sarrita Adams does not have a PhD, a fact that other reporters were far more honest about last August.

Not that I believe US law enforcement told Sarrita anything of the kind, but if they did, the Americans deserve far more from their tax dollars. #forensic_sci_ #sarritaadams #sciencecentral #whosharasssingwho #stillnotawareofher #so-wrong-lucy #apptax

Hope you are keeping well.

Please immediately remove your Science on Trial subreddit. <https://www.reddit.com/r/scienceontrial/>

In the event that you do not, we have sufficient information to pass your details on to local law enforcement.

All the best.

I'm late to reddit, so I must have missed this. who is a fake scientist and what makes them fake?

PyrostarChiveys - 10h

The fake scientist is a former member of this sub, who was banned for harassing me, as well as deleting her own threads then claiming censorship by me. She also refused to adhere to rule 4.

She claimed to be a Cambridge-educated PhD in related fields, but remained fully anonymous. She made a number of debunked and erroneous claims, but the conspiracy theories spouted by her and a few others have poisoned discussion of this trial on this platform and some others.

Thank you! It is all a little unsettled at the moment, so it would be good to hear that your views about the verdicts to reassure people the work reddit is doing is not against providing Lucy a fair trial.

MrJusticeGossipGirl

Right. My opinion on the verdicts are that if they are ever overturned, it won't be connected in any way to the actions of Sarrita Adams.

That of course does imply that if there is a valid reason to overturn a verdict or verdicts, that they should be vacated. I am not here to argue if that is or is not the case, and have no interest in subverting the discussions of this chat to that end.
