<b>Effective Date:</b>	September 3, 2024
<b>Date of Revision:</b>	First version[1]

**I. Introduction and Scope**

This University of California, Riverside (“UCR”) policy supports students and student organizations in their efforts to exchange ideas, publicize events and activities, communicate messages, and promote causes, while protecting University property and operations. Policy 700-52: Temporary Signage and Banners (<https://policyking.ucr.edu/home/policy/6539d1030ad0f868b8663781>) covers activities by non-affiliates as well as employees.

This policy applies to printed materials such as flyers, posters, signs, banners or flags, brochures, decals and stickers, as well as any similar materials that are drawn, painted or otherwise hand-produced, which this policy refers to as “Printed Materials.” The policy mainly sets rules as to how, where and when Printed Materials may be posted, hung, or otherwise mounted or displayed on UCR buildings and grounds. It also covers chalking and other writing and drawing and projection.

The policy applies to all property and facilities owned or managed by The Regents. It is applied in accordance with UCR’s Policy 700-70: Expressive Activities; Time Place & Manner Regulations.

- Patios, plazas, sidewalks, and pathways.

Such Printed Material may be posted no more than 24 hours prior to the related event or program and must be removed within 24 after the end of the event or program.
